"WELL THIS GENERATION JUST"

This was on the back of the Christmas Card List, but belongs with this page:

This list begins with Texanner Reece, first wife of Caswell and Caswell Gaston Reece and again, lists their children.

It does mention a Dearlin L. Reece* born April 18, 1910 that is not on any other documents I have. I guess they died at birth.

This list does not show Wilma, whose birthday was reported to be April 23, 1919, Clay County, NC and died April 23, 1919 (same day as her mother, Texana). There are conflicting pieces of information regarding Wilma. But I feel if she had been born in 1914 (as one source states) there should have been more information on her. One source also says that Texana died the same day as Wilma of the Flu epidemic. Also, possible.

Also omitted on the first page but added here is Zeb's brother:

(Mc) Dow Reece

Aug 20, 1916

died Aug 24, 1994

**This is the ONLY place this name appears.*
