

Janice Reece Emerson
April 18, 1932 – March 11, 2015

83 years old

Janice Marie Reece was born in Akron, Ohio, probably at home like most of her siblings. She died on March 6, 2015 and was to be cremated and will be interred with her husband George, in Burbank OH. Matthew W. Conley Funeral Home provided the services. She divorced her husband on January 6, 1977 and never re married. I have fond memories of her as a very colorful character, especially her job as a go-go dancer and coming to her mom's funeral in a short black cocktail dress.
